*Gate entry fees are subject to changes implemented by the Sabi Sand Wildtuin.

ARRIVING BY AIR

Our closest landing strip is the Ulusaba airstrip which is used by lodges in the Western sector; we offer a complimentary transfer service to and from the lodge. Federal Air has daily scheduled flights to and from Johannesburg into this airstrip.

Airlink fly into Kruger Mpumalanga Airport (KMIA) as well as Skukuza (SKZ) from various domestic and regional destinations. Clients flying into either of these airports would need to self drive or book a road transfer to get to the lodge.

Our closest gate entry is Newton Gate.

*Please note that all passenger landing and departure taxes, aircraft landing fees and other airport taxes are excluded from our rates and are set and changed by Ulusaba.

POSSIBLE EXTRA CHARGES

Road transfer companies normally include the SSW Gate entry fees in their quotes- but it is your responsibility to check that it is included if you are booking these transfers.

For all guests **flying** into/out of the Ulusaba airstrip (on any airline) there is a R295 per person Ulusaba passenger tax (valid for 2019), that needs to be quoted to the client over and above the flight costs. These fees will be added in your accommodation invoice once you have notified us of the flight details.

For **Private Charters** making use of the Ulusaba airstrip, a landing fee and an overnight fee will apply. This is charged by the charter companies directly, and these fees are generally in excess to the actual cost of the flight quoted by the charter company. It is your responsibility to check if they have been included or not.

PROVISIONAL BOOKINGS

Provisional bookings will hold for a maximum of 14 days, after which there will be an automatic release of the space. This is a system driven release and you may not be notified or reminded. We recommend that the Agent be in possession of full pre-payment when making the booking.
