

HEMINGWAYS
OL SEKI MARA

THE TREE OF LIFE

Ol Seki is blessed by having a large fig tree, the tree of life, growing on the edge of the camp. This symbol of prosperity, health and good luck, is the home of the Ol Seki Spa.

All our massage treatments take place underneath the beautiful fig tree, where a peaceful calming aura sets the tone for our massages.

Our oils are all mixed on site and are a combination of naturally scented organic healing oils to enhance the experience.
